

## Dancewear/Dress Code & Shoes

**Use our dancewear sites for ease of purchase:**  
**[www.discountdancesupply.com](http://www.discountdancesupply.com)      Studio Code: 113137**

**If you'd like to try shoes on before buying, La Luna Dancewear in Southbury and Meme's Dancewear in Watertown both have our shoe/dancewear lists. Simply tell them where you dance and your class name!**

### Dress Code/Dancewear:

- Dancers may wear any royal blue or black leotard that they feel comfortable in. They may also choose to wear a ballet skirt for their ballet/lyrical classes and dance shorts for their jazz, tap, and musical theatre classes.
- 3-5 Combo Class and Itty Bitties can also wear pink leotards.
- Dancers must wear pink or tan tights. We recommend TRANSITION tights. These tights have a hole in the bottom and can be rolled up to reveal bare feet. This comes in useful when dancers forget their shoes. They cannot participate in stocking covered feet or socks.
- We have a dress code in place for the SAFETY of your dancers. We feel it is important to be able to see dancer's bodies to ensure proper movement and placement to prevent injury.
- Hair needs to be tied up securely. Dancers should not be taking their hair up and down during class.
- No extra jewelry.
- Dancers cannot participate in class and it is important they have their dance shoes for each and every class. For emergencies if they forget their shoes, we have a bin of extras.
- Adult dancers can wear any comfortable, athletic style clothing. No socks without dance shoes.
